Match Charter Public School CEP Renewal Approved

Match Charter Public School will continue its policy to operate the USDA Community Eligibility Program (CEP) under the National School Lunch and Breakfast program for the 2018-2019 school year. CEP allows for the Match Charter Public School to serve breakfast and lunch to all students at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces the burdens for both families and school administrators and helps to ensure that students receive nutritious meals during the school day.
